Dear School Family,

Liturgy and Worship

Be the Light

In this Gospel, Jesus tells his disciples they are the salt of the earth. Even a small pinch of salt can make a huge difference to the taste of food. Jesus teaches us that we can make a huge difference to the world, even though we may be one person!

Jesus also explains that his disciples are the light of the world. Light isn't something we hide away. Light is something we shine so it can make the biggest difference around us. Jesus says we must not be afraid to let our lights shine. When everyone sees the good things we do, we light up the world and shine a light to God.

Faith in Action

How are you going to let your light shine this week? Do good things and light up the world around you!
