

Learning letter

WB 5.9.20

What an amazing start your child has made to school! They have all settled in so well!

If you haven't already, please send in a photograph (a print to go on the wall or email to hphilips@keyhambarton.plymouth.sch.uk) of you and your family to add to our family tree AND a baby photo please.

Every Friday we will send a book home, **please return on Wednesday.** This week's book has lots of activities to help you share the love of reading with your children before we start thinking about our phonics and our letters. At Keyham Barton, we really want to encourage a love of learning from the beginning. If you need any help with this, please get in touch.

Things we have been learning:

- * to get to know each other and our classroom
- * to keep our classroom super tidy to help our learning
- * to put our belongings in the right place
- * to say our daily prayers
- * to walk to and from the dinner hall
- * to recognise our name and picture
- * to play together and share our toys

Homelearning

Homelearning is optional but anything you do at home is a great help for your child!

- Please read through some of the book, you'll probably want to do it over a few little sessions.
- Practise writing your name using the card from your home visit. You could do it any way you like! Paint, pasta, in sand, pebbles...
- Practice putting on and off jumpers, cardigan buttons and trousers clasps.

Reading Diary

Unfortunately our homework diaries haven't arrived yet so you have a temporary one this week! Please sign the diary every time you read with your child, either a school book or home is fine too! We have a caterpillar we will move up everytime we read and there are prizes!

Reminder

Please make sure your child's clothes are all labelled. Thank you!

Tapestry

I have set everyone up on Tapestry. If you're missing the email, please check your spam/junk folder. Please let me know if you would like anyone else to be added to share in the journey! Tapestry is an

online learning journey where home and school can celebrate all your child's wow moments- things that they couldn't do before or exciting life experiences.

Have a great weekend!
