+Dear School Family,  
**Liturgy and Worship**

### Follow Me!

In this week's Gospel, we hear about how Jesus starts his mission, following his baptism by John the Baptist.

Jesus wants to bring people to God and to help them build a happier life, trusting in God, however Jesus needs help to do this

Walking by the Sea of Galilee, he sees the brothers Simon Peter and Andrew who are fishermen. When he calls, they immediately leave their nets and follow Jesus. Two other brothers, James and John, are nearby when this happens and also choose to leave their nets and follow Jesus  
In following Jesus, they put their trust in God and become the first disciples.

Anyone who chooses to follow Jesus is a disciple. We can be disciples of Jesus if we follow him and we can carry on his work today; reaching out to those in need and working together to make a difference to the lives of others. This is what Jesus calls us to do; to be his hands, feet and eyes on earth so we can help others.

### Keyham News!

#### Nethercott Farm Residential Year 6

What an incredible week our Year 6 children have had at Nethercott Farm! They have met Michael Morpurgo, the author, and had a story read to them by him; mucked out cows; fed chickens; discovered they can make their own beds and have even cooked their own lunch! The children have been a credit to their parents and the school and have engaged with all the activities with positivity and enthusiasm!

We are so grateful to Children in Poverty Plymouth, City Farms for Children and the Woodmancy Trust who have enabled our children to have this incredible experience.

A huge thank you also to Miss Greenacre and Mrs Shorthouse for all their organisation behind the scenes; and to Mrs Holmes, Miss Greenacre, Mrs Westlake and Mrs Phillips for spending a week away from their own families to enable this wonderful experience to happen for our children. There will be some very tired Year 6's returning home today!

**A FAITH COMMUNITY, GATHERED TOGETHER TO LEARN, WITH LOVE AND RESPECT FOR EACH OTHER.**

### This Week's Achievers

#### Courage: Whole of Courage Class!

We were so inspired by our ideas of how we could change our story of Dear Zoo, that we all made our own story maps (we normally add post-it-notes to change the old one). So impressive! Well done!

**Kindness: Bailey** has been effortlessly solving problems of addition within 20 using number bonds to help him.

**Compassion: Penelope** has worked hard on multiplication this week, using her 2's, 5's and 10 times tables. She has been focussed and has tried her very best.

**Peace: Ewen** for consistently trying hard and remaining focused in every maths lesson, even when the new learning is tricky.

**Integrity: Annie** for great work in RE

**Justice: The whole class**, who have surpassed themselves in every way this week!
