

Learning letter WB 12.9.20

What a busy week we've had! We started our RWI lessons, RE, Music and PSHE.

Things we have been learning:

- * to say our daily prayers and use our prayer space if we'd like
- * to recognise and write our name
- * to be a listening lion and to show ready, respect and safe
- * the sounds m, a, s, d,
- * Teeth brushing!

Homelearning

Homelearning is optional but anything you do at home is a great help for your child!

- Please read and enjoy more of the Home and School green book. We are so glad you are enjoying the book and share the love of reading with your children.
- Continue to practise writing your name using the card from your home visit.
- We have learnt these sounds: m, a, s, d, t, please have a go at the sound sheets with your child.
- If you haven't already, enjoy having a look at Tapestry with your child!

RWI Laminated Sheet

We have sent home a laminated sheet with the sounds and phrases that we use for writing them. This is for you to use at home when helping your child with their writing.

Please feel free to play games- this will really help your child! I spy- Can you find the umbrella? Can you find the mmmm sound?
